Hebron High School

Dedication

The Class of 1963 wishes to dedicate the Seneca to Jo Guillod. In this manner, we wish to express our appreciation for her service to our school. Not only has she performed her regular duties, but she has been of great value to the many school organizations. She has been a friend to all of the students and has made our days more pleasant whenever she could.

DEAN OF GIRLS
Mrs. Berrier

ASSISTANT PRINCIPAL
Mr. Gwin

We thank those who guide and instruct us. We are grateful that you take your time to prepare us for life, and perhaps we can repay you by becoming good American citizens.

Although she isn't one that makes decisions, Jo is a very important part of the office staff. Serving as school secretary and treasurer, Jo contributes to the smooth functioning of Hebron High School. At the start of the second semester Jo was joined by Doris Ellenson who spends most of her time in the office of the elementary building.

Russell Franzman, outgoing trustee, hands Howard Dillabaugh the keys to Hebron High School. Mr. Dillabaugh literally has the keys to Hebron's future in his hands. May the coming years be as progressive as the past years.

The seniors have learned many worth while facts in these past 12 years which will help them to start their career in the field of their choice.

At times we may not have shown full appreciation of the many helps and guidances which the teachers have given us, but we are very grateful for these helps.

Although the seniors will go on their own ways, their memories of Hebron High will be with them always.

Are we ready to take the big step from grade school to Junior High? We hope so. We are looking forward to our next six years.

We'll always remember our school activities on the grade side; our parties, basketball games, trips, programs, and Maypole dances, but we know we will enjoy the activities which are a part of Junior High very much.

Move on, seventh grade, for here we come!

Recognitions

Students secretaries Diane Butterworth & Julie Garvey give assistance to Mrs. Guillod, school secretary.

Student Librarian Kathy Kaysen ably assists Mrs. Gidley.

Ray Bales filled the pop machine so the Hebron students could have the "refreshing new feeling."

Rob Skinkle helps keep our school sweet by filling the candy machine.

We thank Jean McNeill for helping teach some elementary students to read.

Hebron High School Band

Doing what comes musically, that's the Hebron Band; with each performance the sound of music. Each year the band presents two concerts, marches at several basketball games, participates in the Porter County Music Festival, and also participates in several parades.

Pep Band

Without a doubt the Pep Band contributed a great deal to the success of our basketball endeavors. Performing at all home games, the band added peppy, spirited music to an already exciting night.

Junior Band

The Junior Band consists of sixth and seventh grade students with visions of playing in the concert band in the near future. To help prepare for public appearances the Junior Band participates in the spring concert.

National Honor Society

To be a member of the National Honor Society is the highest honor which may be conferred upon a student. To be a member, a student must have four qualities: Scholarship, character, service, and leadership. These are the objectives which the National Honor Society promotes.

Student Council

The Student Council is the only governing body of the school in which the pupils are represented. Its purpose is to bring about a closer understanding between the students and the administration. It is composed of three members from each class in grades 7-12.

Deadlines, deadlines! It seems we meet one deadline just in time to start another. Copy! Where's the copy for this page? We don't have a picture for that! Will we ever get these put together in a readable combination? You found an error on that page? It's been proof read three times! Oh, we tried, but everyone isn't perfect.

Take a group of energetic girls, add a little sports "know - how" and enthusiasm, mix well with hard work and good times, and you have the recipe for a successful GAA. These girls have helped the Hebron GAA grow in quantity and quality. The club is operated on a point basis and each member contributes her share to make the association "hers."

From the first game to the last, these students cheered the "Mighty Hawks" on to victory. Cooperation and good sportsmanship only begin to describe each member of the pep block. The Hawks certainly have something to be proud of.

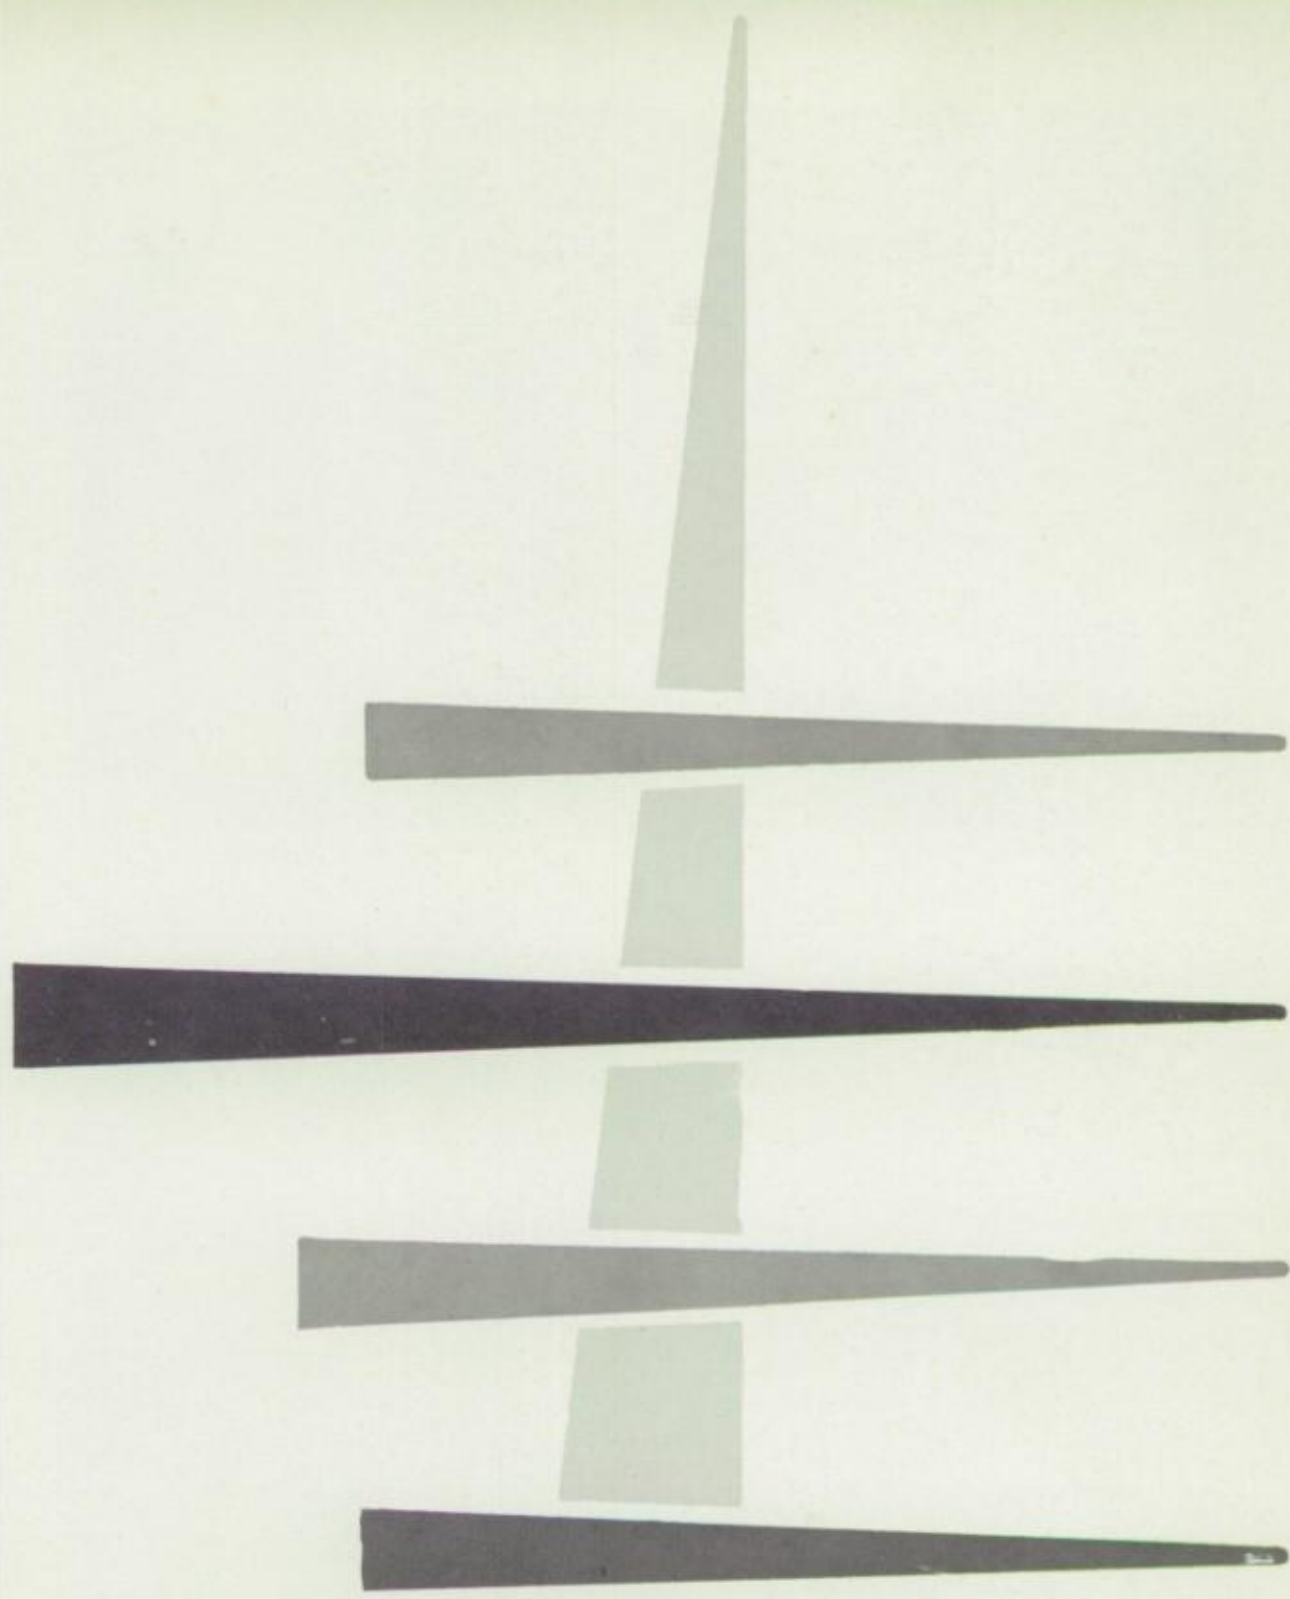

Projector Club

The Projectors Club receive a special "thanks" from the faculty for the efficient way in which they handled the movies and slides in the classroom. This was very helpful to the teachers. Keep up the good work.

Safety Patrol

The Safety Patrol, consisting mostly of seventh graders, should be commended on their fine job. The winter was very severe with several weeks of near or below 0 weather coupled with high snow drifts.

Remember, low score wins.

The Cross Country team won four of eleven meets. In dual meets they won two and lost five. They won the only three-way meet, defeating Jackson and Washington. In the Porter County meet the Hawk runners placed third in an eight team field. The Sectional, run against much larger schools for the most part, saw the Hawks place ninth out of twenty teams. The highlight of the season however, was the Kankakee Valley meet which we won. Top runners were Bob Morrow who won the Kankakee Valley, Morgan, and Lowell meets and Steve Simpkins who won the Liberty meet.

Baseball

The Hawk baseball team had a very successful season. The season record was six wins and one loss. The Hawk diamond men tied with Washington for the Porter County Conference Championship. Bob Smock led the Hebron attack with a .478 average. Paul Knauff, Chuck Riley, Paul Rosenbaum, and Mike Wright also hit over .300. Paul Knauff and Bob Smock were selected by the county coaches for the all-conference team. Chuck Riley and Mike Wright were selected for the second team.

Don Broughton's hardwood quintet compiled one of the best records any Hebron basketball team ever had. The fast - breaking Hawks were just too much for 20 of their 23 opponents. The team combined rebounding, fast breaking, good shooting, and good defense to subdue their opponents. Bob Smock, Paul Knauff, Bob Ellenson, and Chuck Riley each tossed in over 220 points for the season. Bob Smock led the county in scoring with 437 points and a 20.8 average. The team won the South County and the County Tourney. Chuck Riley received the first M.E.Dinsmore award for outstanding player of the County Tournament. The team captured the Porter County Conference Basketball title for the second consecutive year posting seven wins without a defeat. The victories, the defeats, and the attitude of the players help make this "that wonderful year."

The Hebron Junior Varsity treated the fans to an exhibition of good basketball throughout the season. As a preliminary to the varsity games, fans saw the young Hawks win 12 and lose only 6. They are the varsity of the future. Does this indicate that Hebron's basketball prosperity will continue?

The above pictures are the Hawks on the way to another victory, this time against Wheatfield.

The picture at the right is a picture of the Senior members of the basketball team when they were in the fifth grade. Many changes have taken place since then, but the record shows a profitable gain.

The Freshman basketball team lost two barnburners and won one spine tingler in posting a 7 - 6 season record. Congratulations boys!

Track

The Seneca staff regrets it cannot record the track record in this year's book because a spring delivery makes this impossible. The HAWK cindermen should have a good season with several returning lettermen. The success of the cross country team would indicate we should be strong in the distance runs. We also have lettermen returning in the dashes, shot put, and high jump. Hawk hopes for a second straight all sports trophy rest on the shoulders of the track team.

Although the Jr. High came out on the lower end of the wins and losses scale (4 wins, 11 losses), these boys are not quitters. They are eagerly looking forward to the next season and a chance to re - balance the scales.

The "B" team had about the same luck as the "A" team - - three wins and seven losses. They, too, are expecting a better season next year.

Junior High Baseball

4	3	Boone Grove
9	4	Liberty
13	2	Wheeler
9	2	Washington
31	6	Morgan

The Junior High Baseball team captured the county Junior High Championship for the fourth consecutive year in registering seven wins without a defeat. With a record like this it would seem the Hawks diamond prospects for the next few years should be pretty good.

Junior High Track

Remember boys, whether pole vaulting, high jumping, throwing the shot, or participating in running events, success means much hard work and running. When you tire you must keep going. True, you are an individual running, but the success of the team depends on each individual's performance.

Custodians

The custodians should be commended on keeping the school very clean. They also save the township much money by repairing many items that would otherwise require an expensive repair bill.
